
NMPT Program Individual Course Evaluation

Please complete a separate evaluation for each course taken and copy form as many times as necessary.

Course Title: _____

Course Number: _____

Credit Hours: _____

Instructor: _____

Semester and Year (e.g. Fall 2012): _____

In reference to NMPT training objectives, this course:	Strongly Disagree				Strongly Agree	
Improved my knowledge base in neuroplasticity, muscle regeneration, neuromuscular adaptations, or interaction between neural and muscular adaptations *(Objective #1)*	1	2	3	4	5	N/A
Increased my appreciation of the importance and complexities of translational research *(Objective #2)*	1	2	3	4	5	N/A
Provided me a broader understanding of research methodologies contribution to the advancement of rehabilitation research *(Objective #2)*	1	2	3	4	5	N/A
Strengthened my foundation in research design, data management, and/or data analysis *(Objective #3)*	1	2	3	4	5	N/A
Allowed me to better analyze and/or interpret research results *(Objective #3)*	1	2	3	4	5	N/A
Improved my understanding of responsible conduct of research *(Objective #4)*	1	2	3	4	5	N/A
Provided me direction to improve dissemination of research results though better communication of oral presentation, poster, paper and/or grant proposals *(Objective #6)*	1	2	3	4	5	N/A
Was a positive influence on my overall career development in the NMPT program *(Objective #7)*	1	2	3	4	5	N/A
Should be part of the NMPT program *(Objective #7)*	1	2	3	4	5	N/A
