

# RACE for REHAB

**University  
of Florida**

**Student Physical Therapy Association**

The University of Florida's Doctorate of Physical Therapy Program is asking you to put on your running shoes and come support the community outreach programs that are a part of the UF DPT curriculum. Among these programs are the Equal Access Clinic in Downtown Gainesville, Gator Challenge, Community Health, and Children on the Go.

All proceeds will help fund these organizations, allowing UF Physical Therapy Students to provide healthcare services in the Alachua County Community.

Student Physical Therapy Association

Saturday

October 4<sup>th</sup>, 2014

Commuter Lot  
Gale Lemerand Drive
